How to Determine Printer IDs

Sabre

Printer details can be obtained using one of the following methods:

- Sabre entry ***S*P** will display all LNIATA's for your office.
- Simply hit the Function Key you normally use to designate your Ticket Printer to display your Ticket Printer address. Then repeat this method hitting the Function Key used to designate your Itinerary Printer to display the Itinerary Printer address.
- Double click on the Sabre Printer Module Icon (SPM) – This icon has a picture of a printer with a green box.
